HOLIDAY DINNER DECISION, USING ADAPT FRAMEWORK

A uthority - Who decides where the dinner will take place?

D iligence - Do we have all the information? Who is coming? When and where is the dinner taking place?

A ccountability - Are we ready to call it? And take the heat?

P olicy - Did we decide this last year? Like one year my family, the next yours?

T ransparency - Can we explain how the decision was made?

APPLYING STRATEGIC PLANNING TO THE HOLIDAY SEASON

1. What does this holiday mean to us?

- Chance to get together with friends and family?
- Rest from the busyness of everyday life?
- Chance for a serious party?

2. To whom are we accountable?

3. Who cares how we behave and what we do?

4. How will we measure success?
