

## Important Update on Insurance Coverage and Billing

Dear Brothers,

I would like to inform you about a change regarding our insurance coverage due to a switch in providers by Lockton Affinity. Councils will receive a prorated bill for the coverage period from February 1, 2026, to October 1, 2026.

The new rate will be \$3.00 per billable member, which is an increase from the previous rate of \$2.65 per member.

Please note that on June 1, 2026, an additional bill will be sent for the next coverage period, which runs from October 1, 2026, to October 1, 2027.

Thank you for your attention to this matter.
