

SJRG Youth Ministry

August 12, 2025

Dear Friends in Christ,

On behalf of our Catholic High School Youth Ministry, thank you for your generosity, prayers, and encouragement during our first year. Whether through online giving, in-kind gifts, or joining our Silent-Auction BBQ, you have been an essential part of our mission.

This summer, your support made it possible for our teens to attend the Steubenville Lone Star Conference in Dallas, Texas. It was a powerful experience where they deepened their relationship with Christ, grew closer as a community, and returned home inspired to serve.

This year, we are launching **Life Teen**, planning a spring retreat, and continuing community outreach through altar serving, assisting as catechists, and participating in parish events. We hope to welcome new members and keep growing in faith and fellowship.

Looking ahead, our dream is to attend **World Youth Day in South Korea in August 2027**—an incredible opportunity to join young Catholics from around the globe. With your continued support, we believe this dream can become a reality.

Thank you for investing in our youth and in the future of the Church. Please keep our teens in your prayers as we begin another year of faith, friendship, and service.

We will be starting our year in ministry on September 7, 2025. For more information about our Youth Ministry, we've included the following links:
