FAQ

Why should I join the PTO?

The number one reason to join the PTO is for your child's success. When children see that we are invested in their education, they learn to value school. Being a part of the PTO allows you to connect with other families, make your voice heard, and stay informed. Furthermore, it can give you the chance to volunteer at school or from home.

How can I be involved?

Involvement comes in all shapes and sizes. If your schedule does not allow for much flexibility, you may find that donating and enjoying PTO sponsored events are the most worthwhile ways to support our schools. We hope many of you will find ways to participate in the vast variety of fundraisers, which drive our programs and events. In addition, we invite you to volunteer. Throughout the year we will be looking for parents to help in school, as well as from home. We hope we can call on you! Lastly, we encourage you to attend PTO meetings and let your voice be heard. You may have a great idea we have yet to discover. Bring your ideas to our meetings and consider joining or chairing a committee. Any amount of involvement is appreciated by our children. Only you can decide what's right for you!

How do I become a PTO Member?

By filling out the Membership Form and sending in your dues, you can become a member. Membership dues are \$15 per family. Stay connected and receive information regarding all PTO happenings. Once you're a member, your level of involvement is up to you!
