

## 2022-2023 HYES PTO Welcome Letter

Welcome students, families and staff to the 2022-2023 school year! We hope you have all had a wonderful summer. We are looking forward to working with our new and returning families to make this a wonderful year!

Although the last two years have looked different, we are anticipating a normal school year, and we have many exciting things planned! In the Fall, be on the lookout for Raise Craze, Book Fair, Fall Plant Sale, Lyman Orchard Pies, and more. In addition, we are looking forward to bringing back the Ice Cream Social, Monster Mash, Craft Fair, and Penguin Patch.

Throughout the year, we will support items such as Literacy Committees, Specials Class Supplies, Cultural Events/Activities, Field Trips, and more, to enhance the students' learning experience. Last year, for example, we were able to purchase hundreds of books for the school libraries and science kits for students.

A quick glance at Spring, we will be hosting the Sweetheart Dance once again and bringing back the Mini Golf Event. Also, we will assist in funding 5th Grade Activities and participating in Staff Appreciation Week. Lastly, and everyone's favorite, Field Day will close out the year.

If you would like to learn more about the PTO, we hold monthly meetings at the schools at 6:30 p.m. The meeting dates for this year are: 09/14, 10/11 (virtual), 11/09, 12/14, 01/11, 02/08, 03/08, 04/19, 05/10, 06/07. Meetings held during even months will start with PTAC and PTO will immediately follow.

We encourage everyone to Like us on Facebook (Highland Yalesville PTO), keep checking in at our website ([www.HYESPTO.com](http://www.HYESPTO.com)), and have your family become an official Member of the PTO so you can stay up to date on everything going on. Membership is \$15 per family, and dues go directly towards funding these well-loved, popular activities. Become a member today by going to the homepage of our website to fill out the membership form and pay your dues.

Wishing you all a successful year!

HYES PTO Board
