Best Spear Build in Deepwoken □ Game Link □roblox.com/games/4111023553/Deepwoken-Verse-2□ Tiktok □tiktok.com/xrsung The Trident Spear is a midgame medium weapon in the form of a three-pronged spear. It can be obtained by doing the explosion crate quest at Summer Isle, chests at Saramaed Summit, chests at Miner's Landing, chests at Upper erisia or from Depths chests. The Trident Spear is also Alloyable, turning it into an endgame weapon by increasing its stats while giving it a Damascus steel-type texture. Deepwoken stats builder, with full talents and mantra support. Available for all devices! Made by Cyfiee. Every fire mantra builds up one halo stack. At 3 stacks a halo appears that allows you to slide further. The first hit of your Spear's Critical Attack will deal the posture damage of the second hit as well. The second hit no longer. The True Seraph's Spear is a MED weapon. This spear can be obtained from killing a Corrupted King Thresher or a Glacial Lionfish in The Depths. It has the joint highest. Rifle spear is goofy and therefore superior. serrated and true seraphs are probably top. serrated with the high damage, innate bleed, and decent pen. true seraph can do good damage if you proc bleed and the 40% chip is like a built in obfuscation. kyrsglaive is right behind it though with it being slightly faster than serrated and with slightly.
