RE: South Bay Dance Fling 2021

There is no easy way to say this, Steven and I have made the difficult decision to cancel South Bay Dance Fling this year. We know that the event is only a few weeks away, so I am sure you can guess how difficult this decision is. Like many of you, Steven and I, were looking forward to seeing many of our dance friends and family. But, because of the restrictions, and the uncertainty of what the next few weeks will bring, we decided to hold off until next Labor Day weekend. We know that having to wear a mask, not being able to really see one another and feel comfortable giving those warm hugs, South Bay could not be that event that we have all grown to love for so many years.

We hope that every one of you understand, this was out of our control.

For those of you that have already registered, you have the option to either roll it over till next year or receive a refund. Please reach out to us at Info@SBDF.dance and let us know what you would like to do.

Thank you to everyone that reached out to us and offered your advice and assistance. Steven and I are very thankful for everyone's support and understanding.

We have already started talking with the hotel and staff about 2022 and we are looking forward to bringing South Bay back with a bang next year!

From all of us (including the Dog-rectors Toni and Stormy) we would hope everyone has a safe and healthy rest of the year!
