About us

Bee Celebration manufactures completely organic scented candles with Beeswax, Soy wax and Palm Wax. We do not use any chemicals or stabilizers in any of our candles. All our premium Beeswax and Soy wax Candles are heavily scented with essential oils only. They do not contain any artificial fragrance. We do not use paraffin in any of our candles.

Our Team - Led by Woman & Run by Women

The Company is led by Ms. Babita Khanna who carries 20+ years experience in marketing, brand management and corporate communications. She has done her B.Sc. (Hons) in Electronics from Delhi University and MBA from Faculty of Management Studies, Delhi. Ms. Babita was DGM Marketing in NIIT and was heading marketing for School Division in her last stint. She has also held senior positions in Xerox and Vodafone.

All our staff are Women who are educated and are passionate about their job.

Products

Beeswax Aromatherapy Candles

These are pure beeswax aromatherapy candles with essential oils. It contains highest grade beeswax and are free from any type of chemicals. It contains only three ingredients i.e. beeswax, essential oils and cold pressed coconut oil. Each of our beeswax candle comes with leaflet explaining health benefits of beeswax and that particular essential oil.

Beeswax Ayurvedic and Spiritual Candles

These Beeswax Candles contain 25+ ayurvedic herbs, 3-4 types of essential oils, flower petals, leaves, saffron, dry fruits, resins, Silver leaf and 24K gold dust. The herbs extract are good to inhale and may cure respiratory problems, hormonal imbalance, water retention and balances body chakras.

Soy wax Aromatherapy Candles

The premium soy wax aromatherapy candles are heavily scented with essential oils only. These candles are also chemical free and contain only soy wax and essential oils.

Soy wax Scented Candles

Soy wax scented candles comes with premium fragrance oils. These candles contain soy wax and minimum 10% fragrance oil.

Private Labelling

We also manufacture for different private players without mentioning our name. The candle size, wax type, container design and fragrance can be completely customised.

Awards Received
