## TESTMONIALS

### FHS ATHLETIC BOOSTER PAST SCHOLARSHIP RECIPIENTS

#### HENRY TSAI

I would like to sincerely thank Coach Borges for her persistence in organizing and training the varsity tennis team. Tennis has been an integral part of my high school experience and I've developed many friendships during my three seasons with the team both on and off the court.

#### DIEGO RODRIGUEZ

My passion for playing tennis goes beyond what words can say. My parents were a huge inspiration for me as they played professionally when they were my age. Following their footsteps has been a challenge but one that I've been doing and enjoying since I was little.

#### AKANE SHIMOYOSHI

I am so thankful for my teachers and the cross country and track coaches for being a part of my high school journey for the last four years. They have inspired me to keep pursuing what I love, even when it was difficult at times.

#### KELLEN JONES

I am so thankful for my coaches and teachers during my time at Folsom High School. I will be pursuing a Business Major at the University of Utah, with hopes of law school after completing that degree.
