Mission Minute...

FPC Welcomes a New Mission Partner: Prevail, Inc.

The FPC Mission Team is thrilled to introduce our newest mission partner, **Prevail, Inc.**, a Noblesville-based nonprofit dedicated to supporting adults, teens, and children who have experienced trauma from domestic violence or sexual abuse/assault.

Earlier this year, members of our team toured Prevail and were deeply moved by the powerful ways they empower and serve survivors of all ages. Did you know that simply witnessing an act of violence can negatively impact mental health? That's why Prevail is also expanding its community outreach to partner with local schools to help promote healthy relationships to prevent violent acts and offer support at the first sign of need.

When we asked, "*How can FPC help?*", the answer was surprisingly simple: **Bottled water**. This basic necessity is always needed for both clients and staff. We made our first donation last Spring and it's time for another opportunity.

How you can help

We're looking for **2–3 volunteers** to help transport **6–8 cases of bottled water** from Costco to Prevail a few times a year (typically on weekdays). It's an easy, impactful, and meaningful way to serve through FPC. Contact **Rita Popp** at **(317) 408-0554** to express interest.

Since 1986, Prevail has helped more than 70,000 survivors and their loved ones rebuild their lives.
