

Snow Ice-Cream

Ingredients:

- 1/3 cup of granulated sugar
- 1 pinch of salt
- 1 teaspoon vanilla extract
- 1 cup of milk (any kind)
- 8 cups clean snow or shaved ice
- ** toppings optional **

Directions:

1. In a large bowl, whisk milk, sugar, vanilla, and salt together until combined.
2. Scoop fresh, clean snow (or ice) and immediately stir into the milk mixture.
3. Top with sprinkles, chocolate syrup, or other ice cream toppings.
4. Enjoy!
