NOVEMBER 2026 • VIRTUE OF THE MONTH: COURTESY

A MESSAGE FROM OUR PRINCIPAL

Dear Sacred Heart School families,

Welcome to November's newsletter! This month, our students are focusing on the virtue of courtesy. We will give out a virtue award each month (September–April) to one student in each grade who best demonstrates this virtue (grades 5K–6). Awards will be given out after the last Mass of the month, which will be November 18 this month.

Congratulations to our September "Reverence" virtue award winners: Jozef Cabrera, Josue Rodriguez, Danny Cooke, Ollie Graveman, Ave Thomas, Zelie Whatley, Tommy Keough.

Thank you for your continued partnership in faith and education. Have a blessed month!

God Bless,
Shawna Norman
Principal

IMPORTANT REMINDERS

Uniforms. Please continue to follow the uniform guidelines provided in the handbook. Many of you have reached out about the wait time of your orders for the next size up. Our representative assured us that they are working on this issue.

If you have a daughter, please check the length of her skirt. We have several skirts that are too short, especially in the back. When ordering, please look at the waist size as some run small, which is causing the girls to wear them high above the waist. We recommend buying a larger size as many can be adjusted in the waist and this will help with the skirt length.

We have had some cold mornings recently. Please remember that your child can bring any appropriate coat/jacket to wear outside. Only uniform jackets, sweaters and sweatshirts are allowed to be worn in the classroom and at Mass.
