- Shows consist of our ballet "Snow White", our amazing recreational classes as well as some of our amazing DTA Competition Groups. All shows are a balance of all of the wonderful aspects of everything DTA has to offer.
- We will NOT have a professional videographer this year. Please feel free to video your child's routine without distracting others around you. No standing up in audience to record. One policy stays the same...**ABSOLUTELY NO FLASH PHOTOGRAPHY ALLOWED.** This is for the safety of all performers.
- **HAIR AND MAKEUP REQUIREMENTS**-The Theater has professional grade lighting. It's very bright, and without makeup the dancers' faces will be washed out onstage. Dancers should wear foundation one shade darker than their skin color (blend well), eye shadow (smokey), eyeliner, deep rose colored blush, and a deep red lipstick. Dancers are allowed to wear false lashes. Unless otherwise indicated by your child's instructor, hair must be slicked back from face using hair gel, and secured tightly into a center part low bun for ballet. Cover with hairnet (available at drugstores) and secure with hairpins. For other hairstyles please make sure to slick and use gel and hairspray and secure tightly.
- **COSTUMES AND ACCESSORIES**- Label everything. Please, no panties under the costumes. Like bathing suits, costumes are lined. Having them show during the performance is embarrassing for the dancer. If you're wearing costumes with tights, have an additional new pair on hand, in case your dancer gets a hole or stain, etc. Please bring additional makeup, hair supplies, etc TO THE AUDITORIUM for touch ups etc.
- **Room moms** will be assigned to all Tutu and PreK age classes. Room moms will be responsible for sitting with their assigned class during dress rehearsal and the recital. Room mom details will be given as each teacher chooses one for each class.
- **Dressing Rooms:** If your dancer is using the dressing rooms PLEASE help them to clean up after themselves. Every year we pick up A TON of trash left by our dancers. The auditorium is now charging an extra fee for additional messes left by our dancers. Please double check their area and make sure it's clean when you leave.

If you have questions, please call the studio, or ask your child's instructor. We are beyond grateful and thankful for your support and love this season! We are looking forward to ending our 20th year with a special celebration week, raffle and summer enrollment discounts (first 20 to enroll)...**DTA YOU KNOW!!!** Miss Kyli & DTA Staff
