

Annual Meeting Sponsorship

2026 Tri State Annual Meeting

The Tri-State Farm Bureau Conference brings together more than 600 Farm Bureau members, agricultural leaders, and industry professionals from Washington, Oregon, and Idaho for several days of networking, education, and collaboration. As a sponsor, you'll have the unique opportunity to connect directly with the producers, decision-makers, and advocates who are shaping the future of agriculture across the Pacific Northwest. Whether you're looking to strengthen existing relationships, build new partnerships, or increase your visibility within the agricultural community, sponsoring the Tri-State Conference is an investment in meaningful connections with one of the region's most engaged and influential audiences.
