

# Andy Kuros

Videographer/Video Editor

Andy is a senior at Penn State University studying broadcast journalism and entrepreneurship, and he also received his certificate degree from NYU's Clive Davis Institute of Recorded Music - Music Industry Essentials Program. He has a strong background in video production, camera work, video editing softwares, and AP-style writing. He creates music videos and works with numerous artists on their video production and promotional marketing. He is seeking a videography or post-production based position in the music and hip-hop industries. His work can be found on his website, kurostv.com.
