#AUTOMATIONPRODAY

ISA commemorates the anniversary of its founding day, 28 April 1945, as International Automation Professionals Day to celebrate our founder's legacies and their long-lasting contributions to the industry. To our members, volunteers, staff, and the entire automation community—thank you for helping us create a better world through automation.

ISA PUNE SECTION

ISA Pune Section is one of 9 active Sections in India affiliated to International Society of Automation, and one of the leading Sections globally in health matrix indices. It has more than 100 active members from various segments of the Automation and Instrumentation Industry and the Academia. It undertakes several initiatives for the Process and the Manufacturing Industries to keep them abreast of latest trends in Automation Technologies.
