## 2025 Club Membership

We're doing things at Moonrise Distillery like they've been done since the early 1900s. Entering our thirteenth year, Moonrise has served hundreds of thousands of customers, won countless national awards, and been recognized as best in class dozens of times. In addition to producing over twenty-five high-quality spirits and cocktails, Moonrise Distillery has expanded its portfolio of services to include a downtown 1920s Speakeasy and 300-person special event facility at the distillery.

Our founding principles have always been to use the best ingredients available, local wherever possible, traditional tradecraft without compromise, and to treat everyone like family. We strive to offer products you want, an experience you wish to be a part of and a backstory you can connect with. We are proud to say thank you for being a part of our journey with our Old 385 Club.

Named in honor of my grandfather's steam locomotive, which he drove his entire life and our Heritage Edition Special Edition Bourbon Whiskey, membership will be limited to 385 and is available with the following options and benefits:
