AGM Overview: Our Villages Crawcrook and Greenside CIO

Over the past year, our dedicated team of trustees and volunteers has continued to work hard to make Crawcrook and Greenside greener, more vibrant, and closely connected. As an entirely volunteer-led charity, our goal remains clear: to protect and improve our local physical environment while bringing people together through rewarding volunteer opportunities and community events.

Here is a summary of what we do and what we have achieved together over the past year:

1. Community & Environment Projects

- **The Gardening Army:** Our amazing green-fingered volunteers have spent countless hours pruning, weeding, and planting. We've kept the flowerbeds and planters in Crawcrook Park, the Pinfold, near the Library, and at Emma Hall looking bright and beautiful.

- **Keeping It Clean:** Regular volunteer litter picks have helped keep our streets and parks clean, safe, and tidy for everyone.

2. The Pavilion Cafe

- The volunteer-run **Pavilion Cafe** in Crawcrook Park has continued to be a fantastic success. Opening its doors on Wednesdays, Thursdays, and Fridays, it has served as a warm, welcoming space for locals to grab a hot drink, a sweet treat, and catch up with neighbours, helping to tackle social isolation in our area.

3. Events & Fundraising

We've hosted a fantastic lineup of seasonal community events to bring joy to local families and raise vital funds:

- **The Annual Crawcrook Fair:** Our flagship September event was a massive success, helping us raise the funds needed to secure the village's annual Christmas lights.

- **Seasonal Activities:** From the Easter Egg Hunt and Halloween trails to the annual Christmas Light Switch-On, we've loved seeing our villages come alive with community spirit.

A Huge Thank You!

None of this would be possible without the hard work, passion, and time given by our incredible team of volunteers and the ongoing support of our residents. We are always looking for fresh faces to join us—whether it's helping out in the cafe, joining the gardening team, or assisting at our events. Here's to another fantastic year ahead!
