

HIGHLIGHTING THE ORIGINAL & NEW CAST MEMBERS

Original Cast Members

This reunion features an outstanding cast, including original members Charles Viney, Courtney Bryant, Layla Carey, Sean Johnson, Jr., Yolanda Martin, Rickey Davis, and Terri Rene. Each is celebrated for their captivating performances, commitment to their art, and remarkable original narratives.

Following a notable seven-year break since the critically acclaimed film "Beyond the Vows," the original talented cast is came together once more for the eagerly awaited production "Love Brought Me Back," featuring some new cast members as well. The movie is now available for streaming, and you can also find the book for purchase on Amazon!

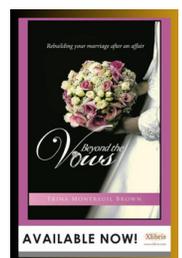

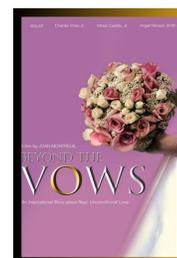

A Perfect Blend of The Old & The New

New talents join the group, bringing fresh dynamics to a captivating narrative exploring love, redemption, and personal growth. Fans will enjoy the return of beloved characters, while newcomers will appreciate the emotionally rich storyline. The collaboration between seasoned actors and new talent promises a heartfelt cinematic experience that blends nostalgia with innovation.

Wisdom Productions, LLC

Trust The Journey

"Love Brought Me Back" features characters that highlight themes of love, trust, and honesty, encouraging audiences to reflect on their relationships. Joan commends the cast for their strong performances.

Love Languages

The production explores love languages, highlighting the importance for couples to understand what makes their partner feel loved and appreciated. By learning and respecting each other's love languages, couples can deepen their connection and enhance emotional intimacy.

Compelling Dialogue and realistic Scenes

"Love Brought Me Back" highlights the significance of communication in relationships, urging partners to express their needs and actively listen. However, external factors can complicate this communication.

Healing Marriages

Both the film and stage play "Love Brought Me Back" highlight love's transformative power for healing and personal growth. They emphasize mending relationships through commitment and empathy, and the significance of supportive friends during tough times.

Premarital Counseling

The play emphasizes the vital role of parents in their adult children's lives, particularly in addressing marital issues. It stresses the need for pastors to identify when their children require assistance and to offer premarital counseling and support to foster healthy relationships and strengthen family bonds.

Children Are A Gift

The production focuses on love languages, emphasizing their significance for couples to understand what makes each partner feel loved. By learning and respecting these language couples can strengthen their connection and emotional intimacy.

Pray Always

The Importance of Prayer Groups: Safety in Counsel
In a multitude of counselors, there is safety. It's essential to remember that we shouldn't navigate life alone; everyone needs a prayer partner.

Cherishing Great Friendships

There's always That One

Mother and Friend

"Love Brought Me Back" highlights characters that embody the themes of love, transparency, and honesty within friendships. It illustrates the balance of give and take in relationships, demonstrating how to create mutual benefits for one another.

Choose Your Battle

The tension between the characters arises from misunderstandings and unspoken expectations, gradually revealed in a narrative filled with emotion. Through meaningful conversations and key moments, they explore their relationships, leading to healing and reconciliation. This journey highlights the importance of love and honesty in resolving conflicts, while celebrating the lasting bonds of family and friendship.

Premarital Counseling

The play emphasizes the vital role of parents in their adult children's lives, particularly in addressing marital issues. It stresses the need for pastors to identify when their children require assistance and to offer premarital counseling and support to foster healthy relationships and strengthen family bonds.

Baby Mama Drama

The production focuses on love and the intricacies of baby mama drama. We highlight the factors that may lead children to feel confused during an identity crisis. It's essential for them to understand both the positive and negative aspects of certain situations.
