

## A2R2 Statement to the Community

March 1, 2022

Changes are coming to the leadership of Ann Arbor Reasonable Return, Inc (A2R2). Jesse Kauffman and Anna Hoffman have stepped down from the Board of Directors. That Board is now comprised of the following:

- Lilia Cortina
- Shannon Hughes Hautamaki
- Lena Kauffman
- Kimberly Monroe
- Joanna Spencer-Segal

A2R2's commitments have not changed. We are working to ensure that Ann Arbor Public Schools decisions are made with accountability, transparency, and community input, and accurately reflect the diverse educational needs of our community. Our current priorities fall into two broad categories:

- Resuming reliable in-person school and programming, including extracurriculars, childcare, bus-ing to and from school, and school community events
- Remedying harms of remote schooling, including learning losses, social-emotional deficits, and mental health impacts

A2R2 supports open, respectful dialogue when working with the Ann Arbor community, Board of Educa-tion, and Superintendent of Schools.
