

For The... STEM K-12 SRVC. PROVIDERS

Science, Technology, Engineering, Art, and Mathematics (STEAM)

Why You Care...

Identify Key Partnership Opportunities

Allows a seamless connection to outreach partners, including Universities, K-12 educators, service providers corporations and sponsors.

Forge Capacity-Building Partnerships

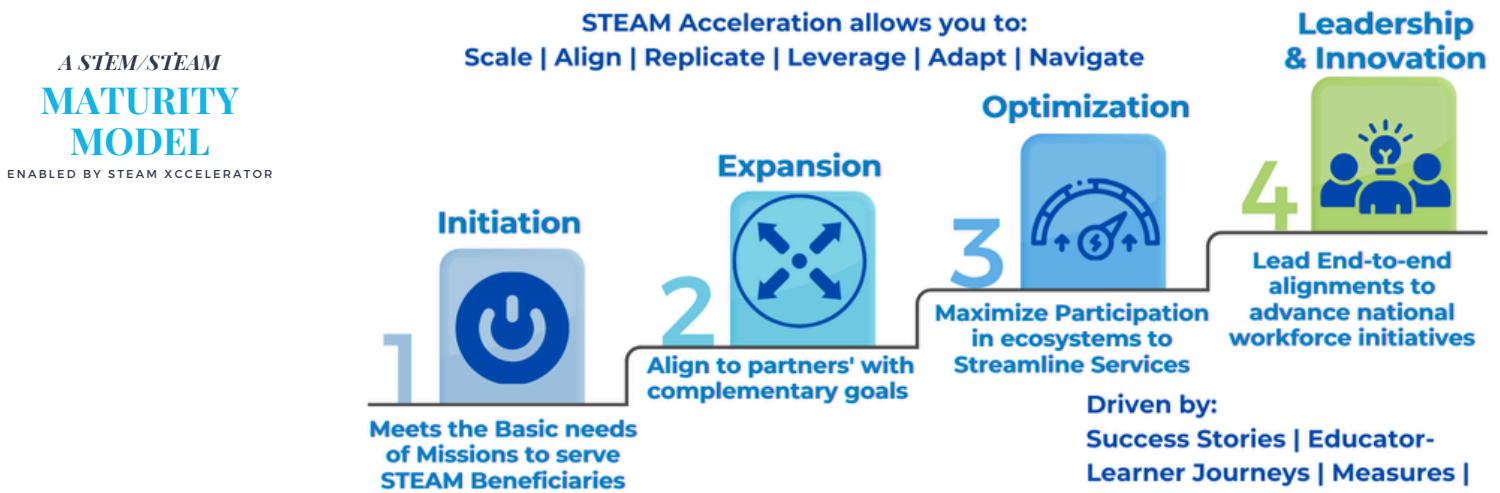

Forge alliances and use these relationships to elevate your initiatives to rapidly scale and broaden your impact.

Measure Success with Precision

Create and monitor custom KPIs aligned with your mission and vision, improve marketing, and show success for funding.

Streamline Operations with Automation

Increases administrative bandwidth through AI enabled automation of social media and event management.

Platform Features

Match Seekers and Givers

Easily connect with individuals and organizations seeking or offering resources and expertise.

Find Collaboration Partners

Discover like-minded collaborators to drive impactful STEM/STEAM projects.

Scale Ecosystems

Expand your network and build a thriving STEM/STEAM ecosystem with our scalable tools.

Inform Your Constituents

Share news, updates, and opportunities to keep your community informed and engaged.

About Us

501(c)(3) nonprofit driving collective impact to increase transparency and cohesiveness in the national STEM/STEAM education to workforce pipeline

Vision

Drive collective impact and increase inclusivity in the national STEM/STEAM workforce pipeline that meets future needs.

Mission

Meet the future workforce needs by connecting and accelerating STEM/STEAM stakeholder outcomes and including the participation of underrepresented communities.
