### Tip of the Month:

Now is the time to think about getting a jumpstart on weed control with mulch. Adding a fresh layer to all of your plant and tree beds will add an important layer for any new plantings to protect them during the spring months to come.

Prep For  
**SPRING**

**Bloomhouse Landscape & Irrigation, LLC**  
can help get your property into tip-top shape for Spring.

Irrigation systems are an integral part of keeping your property beautiful. The system will ensure your lawn, plants, and shrubbery are watered correctly at optimal times.

## YOUR LANDSCAPE DREAM!

Your landscape is not only aesthetically pleasing; it is an investment that accounts for almost 20% of your property's value. It is important to keep trees and shrubs properly nourished; this allows plants to be less prone to environmental stress and maintain good vigor.
