

We're on the lookout for an Exceptional Carpenter for a 2021 start.

Looking for a lifestyle change? Beautiful location, country living by the beach!

About us: We are a family business specialising in Home renovation and Extension projects, born from the vision to deliver customer focused building solutions with integrity and care. We have honed expertise and reputation for honest quoting, superior site etiquette and delighted clients have quickly earned the trust of locals.

About you: People have described you as a top gun, a go getter with a can-do positive attitude. You have also been referred as motivated and a craftsman finisher in your field. You have been known to work unsupervised and able work as part of a team. You are professional & have a clean & tidy appearance. You have demonstrated commitment to health, safety, & environment. You are reliable, honest & trustworthy. You prioritise quality with an impeccable attention to detail. You consider yourself polite and courteous with a friendly nature.
