

# WOMAN

## 2025 COLLECTION

IT'S NOT ABOUT RIDING STYLE.  
IT'S ABOUT RIDING WITH STYLE!

Riding isn't just for men anymore. Women are now joining the ranks of two-wheeled motor connoisseurs in greater numbers than ever... and not just as passengers.

More and more ladies are riding. Our Woman range is designed just for you. Though certain styles echo the technical features of our gloves for male riders, their overall shape, ergonomics, and look are specially adapted to women's hands and their tastes. Because, even on a bike, a woman is still a woman, and will never give up a certain kind of elegance. A woman's hands speak volumes about her personality, so they deserve the finest of care. Our goal is to offer you the perfect glove: one that's both protective and elegant.
