

RPHA 11 PRO

- Premium Integrated Matrix (PIM) construction incorporates three different materials including carbon fiber, aramid and fiberglass to create a unique woven blend that produces a shell both remarkably strong and noticeably lighter
- Optimized shell design for outstanding airflow ventilation system
- Aerodynamic shell structure for extreme performance at maximum speeds
- ACS (Advanced Channeling Ventilation System) provides full front-to-back airflow to help flush heat and humidity up and out of helmet
- RapidFire™ shield replacement system provides ultra-quick, tool-less removal and installation
- Superior automatic shield locking system with spring-controlled lever
- Max airflow top vents are adjusted by glove-friendly dials on each intake vent
- Quick, emergency-release cheek pads for safe and quick rescue in emergency situations

- Wider eyeport provides better peripheral vision for riders and features an eyeglasses- and sunglasses-friendly EPS shape
- Enhanced shield dual-lock system for high-speed racing conditions
- Multi-cool interior with advanced antibacterial fabric provides enhanced moisture-wicking and quick-drying function compared to previous generation
- Crown and cheek pads are removable and washable
- Includes 2D dark smoke shield and anti-fog insert lens
- Double D-ring closure
- Semi-flat is a matte finish that does not show fingerprints
- For replacement parts and accessories, see pages 164-171
- See helmet size guide on page 72 before ordering
- DOT and ECE certified
