

# STREET

## 2025 COLLECTION

FOR EVERYDAY RIDING  
THAT'S FUN AND DYNAMIC.

The STREET collection is made for those who ride over short-to-medium distances in the city or outside of it, taking a fun and dynamic approach that needs protective gloves for maximum riding pleasure (and safety) at the controls. The street is their natural domain, but their field of play may be even greater...Just as comfortable in town and around its outer edges for quick trips as they are on side roads out to explore, and even on the track, for the high-performance fans among them.

Proud owners of roadsters, supermotos, or maxi-scooters will naturally gravitate toward the STREET Performance category, for gloves inspired by our competition styles, recognizable by their protective shells in sleek shapes and leather palms, which offer a superior level of safety that's sure to satisfy the most demanding technical riders. These gloves include the SF series, crowned with 14 Supermoto World Championship trophies, alongside the SF1, which could be described as a "short Racing glove" that's ideal for track riding, or the new-gen STUNT, an iconic style from the brand, designed to conquer the city...frequently emulated, but never equaled!

The STREET Sport segment brings together our textile or combined leather-and-textile gloves, whose protective shells with softer styling have become more subtle and discreet. These are for riders who take on the streets and roads in a multitude of ways (from motorcycles to scooters, and pocket bikes to big beasts, along with new electric mobility solutions...), ensuring their comfort and safety and attempting to keep a look that's both modern and sporty.

The STREET-WP segment includes gloves featuring a breathable, weatherproof membrane, commonly known as "mid-season" gloves, essential for worry-free rides as soon as the weather takes a turn for the worse (cold air, wind, moisture...).

*PS.: Take a look at the new, standalone URBAN collection (now distinct from the STREET collection), offering a more classic, fashion and urban-oriented style, which you'll find in the next few pages.*
