## Texas odometer disclosure pdf

Except as provided by Subsection (c), the transferor of a motor vehicle transferred in this state shall provide to the transferee a disclosure of the vehicle's odometer reading at the time of the transfer in compliance with 49 U.S.C. Section 32705. When application for a title is made, the transferee shall record the odometer reading on the application. The disclosure required by Subsection (a) must accompany the application. An odometer disclosure statement is not required for the transfer of a motor vehicle that is exempt from odometer disclosure requirements under 49 C.F.R. Part 580. The department shall provide for use consistent with 49 C.F.R. Part 580: a secure power of attorney form; and a secure reassignment form for licensed motor vehicle dealers. In this section, "transferee" and "transferor" have the meanings assigned by 49 C.F.R. Section 580.3. Acts 1995, 74th Leg., ch. 165, Sec. 1, eff. Sept. 1, 1995. Updated February 06, 2023An odometer disclosure statement is a required attachment to a vehicle bill of sale at the time of purchase for all vehicles below 16,000 pounds and under 10 years of age. It is required by federal law in all 50 states to be filed for the finalization of the sale and allows the buyer of the vehicle to apply for registration (along with the title, bill of sale, and any other required forms). Depending on the state, there may be a state-specific odometer disclosure statement provided by the Department of Motor Vehicles (DMV). Federal and State law requires that you state the mileage upon transfer of ownership. Failure to complete or providing a false statement may result in fines and/or imprisonment. (5) A new vehicle sold directly by the manufacturer to any agency of the United States in conformity with contractual specifications. For the comprehensive document, please download the free form or hit "create document." In the State of Texas when you transfer the ownership of a vehicle you are required by law to record the mileage for any vehicle model year 2011 or newer, self-propelled and below 16,000 pounds. Usually you have to complete the odometer reading on the back of the vehicle's Certificate of title in the Assignment of Title section. However you may complete a separate form as well for your safety and below you'll find all the details. The following vehicles are exempt from odometer reading in the State of Texas: any vehicle model year 2010 or older, vehicles over 16,000 pounds, low-speed vehicles (LSV), non-motorized vehicles (trailer-type), and mopeds or scooters. Please take caution when your write on the title because any alteration, erasure or mutilation will void the Certificate of title. Secondly use a pen with black or blue ink and not a pencil. Thirdly please read carefully all the details and requirements before you start to write on the title. According to the Texas Transportation Code, Sec. 501.072, State and Federal law the seller has to state the mileage of a vehicle in connection with the transfer of ownership. Failure to complete or providing a false statement may result in fines and/or imprisonment! Below, you will find an optional federal disclosure statement form. By keeping a copy of the assigned title and by filling out this form also you will be able to keep the odometer disclosure records and prevent future claims from the buyer.

**ODOMETER DISCLOSURE STATEMENT**

Federal and State law require that you state the mileage upon transfer of ownership. Failure to complete or providing a false statement may result in fines and/or imprisonment.

I, \_\_\_\_\_ (SELLER'S NAME, PRINT) state that the odometer now reads \_\_\_\_\_ miles (NO TENTHS) and to the best of my knowledge that it reflects the actual mileage of the vehicle described below, unless one of the following statements is checked.

It is recommended to keep the records of any vehicle transaction for five years. Below you can find the Texas federal fillable PDF form for your use. The Texas Federal Odometer Disclosure Statement form contains three sections. Below I'll explain how to fill out this optional form. Section 1 The first section includes the full name of the seller. Particularly the name must be PRINTED. This means to use only Capital Letters to write SELLER'S NAME. Next fill out all the vehicle details. Start with the current odometer reading. If the odometer reading is in excess of its mechanical limits or is not the actual mileage please check the corresponding box: Section 1 of Texas Odometer Disclosure Statement Form Section 2 Following in the second section fill out the Seller (Transferor) Information. This includes the seller's signature and name (write SELLER'S NAME using only Capital Letters). Always write the name of the seller exactly how it appears on the title. Only one seller (owner) must sign if the title states OR between owner names printed on the title. Both sellers (owners) must sign if the title states AND or AND/OR between owner names, or if nothing is listed between owner names. Next fill out seller's address: Section 2 of the Texas Odometer Disclosure Statement Form Section 3: Lastly in the third section fill out the Buyer (Transferee) Information. Here the buyer acknowledges the mileage reading as certified. Specifically complete here the buyer's signature and name. Again write BUYER'S NAME using only Capital Letters. Finally fill out buyer's address, and date of certification: Section 3 of the Texas Odometer Disclosure Statement Form In Texas you can fill out the federal Texas Odometer Disclosure Statement Form. If you want to know how to get an exact odometer reading you can find all the details here: Reading the Odometer - How to read an Odometer. Tip: to complete the Texas Odometer Disclosure Statement Form on your device (computer / phone / tablet) open this PDF form in Adobe Acrobat Reader. You can also fill out this form by hand but don't forget to use a pen with blue or black ink and not a pencil! When you fill out the Odometer Reading in the Assignment of Title section on the back of the vehicle's Certificate of Title you need to complete the following details. Always use a pen with black or blue ink and not a pencil. Also do not make any alterations or erasures on the title because doing so will void the title! Moreover before you write on the title please read first all the instructions carefully. First the seller fills out the PRINTED NAME of the Purchaser or Buyer. Then fill out purchaser's (buyer's) address, city, state and ZIP code. Next the seller certifies and fills out the current odometer reading as the actual mileage. Please use only digits without tenths. If the Odometer reading entered is in EXCESS of the odometer's mechanical limits the seller can check the first checkbox.

Or the seller can check the second checkbox only if the Odometer reading entered is NOT the actual mileage (Warning - Odometer Discrepancy). After that the seller fills out the date of sale and completes his/her signature and PRINTED NAME. Fill out the name of the seller exactly how it appears on the title. Only one seller (owner) must sign if the title states OR between owner names printed on the title. Both sellers (owners) must sign if the title states AND or AND/OR between owner names, or if nothing is listed between owner names. Finally the buyer acknowledges the odometer certification made by the seller, fills out his/her signature and PRINTED NAME: Assignment of Title section on the Texas Certificate of Title A person commits an offense if the person, with intent to defraud, disconnects or resets an odometer to reduce the number of miles indicated on the odometer.

Altering an odometer with the intent to deceive is a criminal offense! If you think you are a victim of odometer fraud try to find a solution with the seller first. If you're unable to find a solution you can file a complaint with the Attorney General of Texas - Consumer Protection: File a Complaint Online or call Consumer Protection Hotline (800) 621-0508. In conclusion, for more details, please go to the Texas Department of Motor Vehicles. Even more, the Texas Department of Motor Vehicles (TxDMV) is a dynamic state agency dedicated to customer service.
