
Student/ Family_____

Our students will be participating in a Read-a-thon this summer to help promote reading and raise funds to offset their tuition in the 2026-2027 school year. Each student/family will be looking for pledges for support in reaching their reading goal. 100% of what the child/ family above raises will go to offset their own individual/family tuition for the 2026-2027 school year.

There are two ways to make a pledge.

1. Pledge by giving a flat amount. Example: If you pledge $20 then you would pay $20 no matter how much time is spent reading.

2. Pledge an amount for each book read. Example: If a student reads for 50 books and you pledge 50 cents a book, you would owe .50 X 50 = $25. For siblings you would combine the total number of books read. *Note: You can put a cap on the amount pledged so that it is not to exceed your maximum pledge.

All pledges MUST be turned in to the school by Friday, August 7th, if you want your total raised to be applied to August tuition. Otherwise, your total will be applied to September through May.

Sponsor Name & Number	Flat Pledge Amount	Amount Pledged per Book Read	Not to Exceed

STUDENT READING LOG

Student/ Family_____

Please make a personalized goal for each child on the number of books he/she will read. Record the books read in the chart below. Example: "I will read 50 books this summer."

I will read _____ books this summer!

Date	Name of Book(s) Read (Can list total # of books read in one setting if more than 3 are read at one time.)	Parent Initials
