GOD GIVEN

Calling

1 Peter 4: 10-11

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ.

There are
different kinds
of gifts, but the
same Spirit.

There are different
kinds of service,
but the same LORD.

PRINCIPLES OF BODY BUILDING

1Corinthians 12:12-27

“What has God given you? Moses had a stick, David had a slingshot, and Paul had a pen. Mother Teresa possessed a love for the poor; Billy Graham, a gift for preaching; and Joni Eareckson Tada, a disability. What did they have in common? A willingness to let God use whatever they had, even when it didn't seem very useful. If you will assess what you have to offer in terms of your time, your treasure, and your talents, you will have a better understanding of how you might uniquely serve.”

— Richard Stearns, *The Hole in Our Gospel: What does God expect of Us? The Answer that Changed my Life and Might Just Change the World*

God is the master of variety, as we see all around us in nature.

He has created people in so many varieties for a purpose.

Don't struggle to be a carbon copy of someone else. You are unique, and there is something you can do that nobody else in the entire world can do exactly the way you can.
