

# THE MAMAS & THE PAPAS EXPERIENCE

Featuring  
**LAURIE BEEBE LEWIS**  
& The Electric Underground Band

Legacy Artist **Laurie Beebe Lewis** spent seven years with the **The Mamas & The Papas** from 1986-1993. She toured the world with original members John Phillips and Denny Doherty, along with sunshine pop singer Spanky McFarlane of **Spanky & Our Gang**.

Presently Laurie takes her experiences, stories and the music of THE MAMAS & THE PAPAS to the concert stage along with her band the Electric Underground!

It's a "tribute with a twist" as she shares her perspective of her seven years with the group. Laurie and her band, the Electric Underground perform pristine vocals and iconic vocal arrangements previously created and sung by the 1960's fab vocal quartet that changed folk rock music forever!
