

Parent Service Contract 2018-19

The Clinton Early Learning Center is a not-for profit organization governed by a Board of Directors which includes a President, Vice President, Treasurer and Secretary. These are all volunteer positions. The board works hard to provide our families with special events and to ensure the financial stability of the Center. However, it cannot operate alone. Each family is asked to commit a certain amount of service/time to the Center, distributing the workload evenly and developing a sense of community among our families.

There are important events that take place each year. The attendance of one parent from each family is required at the Fall Parent Meeting/2018 Annual Membership Meeting, our Meet Your Teacher (August 10), and Parent Teacher Conferences- one in January and one in May.

In addition to your attendance at our annual events, the Center requests that each family commit to serve on a committee, join PTAC, or donate time to help with CELC events such as the Autumn Festival, the Parent Mixer, or the Winter Elves Workshop.

PTAC/ Committees- Please Choose One:

_____ Parent-Teacher Activity Council

_____ Donate Time to an Event

_____ Board Development Committee

At least one parent from our family will attend the Open House/Annual Meeting in September. Date to be determined.
