"We have just returned from Murphy where, at my sister's (Mary Hilbert) insistence we stopped off at The Red Apple. We purchased a pie, some apple fritters and apple donuts and also a maple nut coffee cake mix. It's not the first time we've been there, having previously joined the queue of lovers of this store and it's offerings. Set among the big trees at the side of the road, this store, owned and operated by Mr and Mrs Bunch, represents small town America at its best, with their wonderful baking and friendly, courteous service." Susan Miller, January 2018 Facebook

"A must stop if going up or down Hwy 4. Home canned jams and jellies, pickles, salsa, applesauce, juice are all top notch. The baked goods (especially those apple donuts) are off the charts! I go for all these reasons, and it is just a beautiful drive from Twain Harte. I love The Red Apple! Too bad they are closed today because I am out of applesauce... LOL" Peggy Sue Williams, October 2017
