

Again

Misty days as dew drops with slight trickles

Give a feeling of complete total relaxation

Fuzzy trees bending down with palm trees

As I pass a bridge painted green and black

With lily - pads down below

And a "No fishing" sign

Deep red flowers in a fuzzy bush

Enchant the view

Birds perched high above on a line

Three black furry Bouvier dogs roaming around

It's a peaceful setting

We can all find our means of enjoyment

If we want too

Renata Dawidowicz
