

### Breezes

Cool breezes in the summer heat  
Enveloping me entirely with relaxation  
Horse trails scattered all over  
In the vicinity of my destination  
Insects very lively seen all around  
Invading my quite premises with rapid speed  
Birds jostling each other in play  
Flowers tantalize the air with their wild fragrances  
My shadow follows me along the trail  
Up and down and around we go
