

## Father's Day Card

Dad is a man that we look up to  
You were there for me since the day I was born  
Thank you dad for making me who I am  
Without your love  
I could not have done it  
Whether times were good or bad  
You never let on  
But continued to walk the walk of life  
Once you said how proud you were of all us children  
I could not have been me without your presence in my life  
Thank you for being my father  
Love you dad forever
