

Newport Parlor

Shadow of time is upon this room
Solemn face etched from yesterday
Stern looking features
Eyes that stare into the future
A bonnet covering the hair securely
Still looking into the parlor room today
The clock stands still here
Time has ticked away
While the red drapery adorns the windows
Chandeliers lighten the dramatic effect of time
While the round table is concentrated
In the middle of the room very solemnly
The mirror hanging on the wall
Etched in gold around the rim
A cabinet showing off it's decor
Upholstered chairs stand out decorated long ago
The little stand is covered with glass ornaments
As it catches your view suddenly
Feeling the presence of this portrait
Summons us to think about the time past
