

## Lifeline Gospel Ministries

Truly, Truly, I say unto you, he that believes on me has everlasting life. John 6:47

DECEMBER 2018

Dear Friends:

What a priceless blessing we enjoy to be involved in kingdom business until our Lord returns!

We want to thank each of you for the very vital role you have played in the spread of the gospel through this ministry. With your help, we continue to see good things happening in the lives of many day after day. Thousands have been impacted by the gospel of Jesus Christ. Many lives have been transformed through the outreach of Lifeline Gospel Ministries which would not have been possible without your help. Here are a few of the things God

accomplished through us this year:

- ◆ We were able to print our Face to Face booklet in Haitian Creole and had them distributed in Haiti through a supporting church in Sarasota, Florida
- ◆ We are now working on having our booklets translated into Portuguese for Brazil.
- ◆ In November, we were able to put together 700 care bags with school supplies, hygienic items, food and clothing for children and seniors in Jamaica. It was an awesome opportunity to touch the lives of those who may not have received help other than through you.
- ◆ Another amazing work God is doing is in the lives of students in St. Lucia. Attached is a report from Casilda Severin and Josephine Albert, our faithful and diligent workers in that island.

But there is still much work to be done, and again we ask for your help. Here's how:

- ◆ Jamaica urgently needs 50,000 copies of The Backyard Club for distribution to the elementary school kids as of this January 2019. The Ministry of Education has already given its approval for this project in the island's schools. The cost of printing the booklets is \$11,328 USD. How disappointing if we miss out on this great opportunity! Help us, please!

## Merry Christmas!

### *The work in St. Lucia continues—Praise the Lord*

*The Lord has entrusted us to His work in this season and era. We do so with fear and trembling in the hope of bearing 'well done my good and faithful servant'.*

*It is our prayer that we will begin to see an increase in the number of Souls added to His Kingdom at the various schools across the island of St. Lucia.*

*105 No worries Booklets were handed to students at the Vieux-Fort Beanfield Secondary School in the South of the island. In addition 105 Gospel letters were given as the gospel were proclaimed to the students and teachers.*

*In January 2019, work will continue at the Beanfield school. I will be returning to the school to disciple the students who filled out the gospel letters and responded to the gospel.*

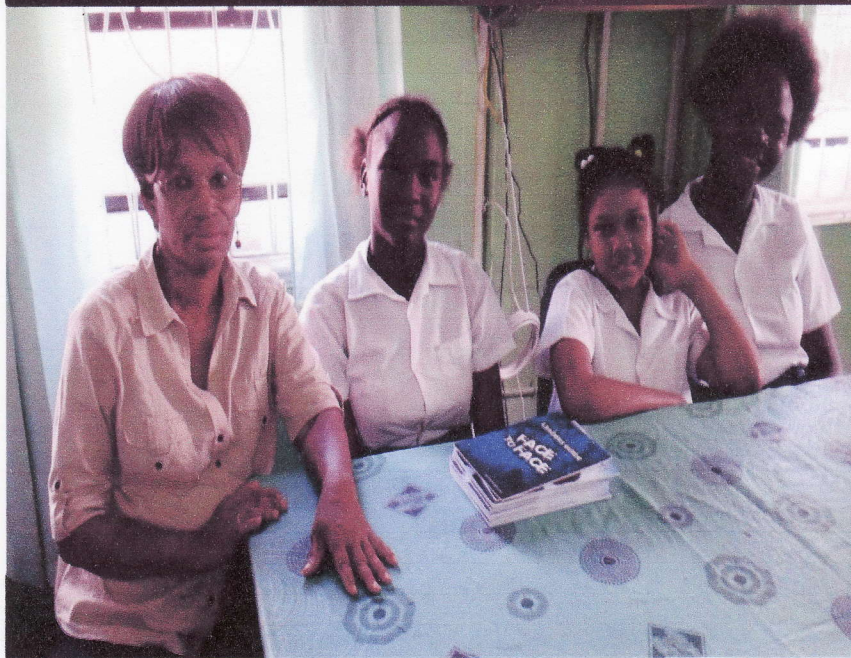

*It will be a great joy to return. The students in this school asked lots of questions about heaven and hell. I also returned on another occasion to bring gifts to the children and a small token for one Teacher.*

*The Probation & Parole Department received three No Worries Leaders Guide along with three booklets. The Assistant Director of Probation indicated that she will be gathering a group of Juveniles for me to conduct the No Worries group sessions at the department's conference room. The sessions will be conducted in January 2019. Please keep this in prayer. God can open this door for many to be added to His Kingdom.*

*Ms. Josephine engaged in work in the north of the island. She distributed the Face to Face Leaders Guide to two institutions.*

*Merry Christmas  
&  
Happy New Year*

*Each opportunity I receive to interact with the youth, reminds me of the urgency in reaching them now before its too late. The gospel of Jesus Christ offers them a solid foundation and is a shield against 'New Age' philosophy and the pressures to conform to lawless living.*

*May we continue to pray for the work and workers in St. Lucia. I also take this opportunity to say God's blessings upon Mr. & Mrs. Farquharson.*
