

LANGLEY VALE

VILLAGE HALL

**INFORMATION
BOOKLET**

Hello and welcome from the Langley Vale Village Hall Committee, the Village Hall was funded and literally built brick by brick by the villagers back in 1968 and the committee have been involved since day 1! We have had a busy 12 months with the addition of a new playroom, total redecoration of the hall externally and new electrics. The Village really came together to fund the installation of the lifesaving defibrillator which is now up and running and epitomises the compassionate nature of our Village supporters. The Village Hall is the community hub for Langley Vale with a wide range of activities to include pre-school, playgroup, WI, social meet ups and many fitness and wellbeing classes to cater for all age groups.

Where would we be without the social side though, the monthly bingo is a roaring success and the regular themed evening events are the talk of the village. The Village fairs are always extremely popular especially for those individual hand-crafted gifts and delicious artisan foods.

The committee have extended the Village Hall lease so we can all continue to enjoy the Village Hall for many years to come, do come down to the hall and enjoy one of the many activities.
