Build with Confidence

Let TechEDGE assist your faculty to create online professional certificates that will provide life-long learning to regional health care providers.

WEB SOLUTIONS

Have your own branded online certificate portal. With TechEDGE's adaptive Learning platform with rigorous personalized competency-based assessment.

Design for Success

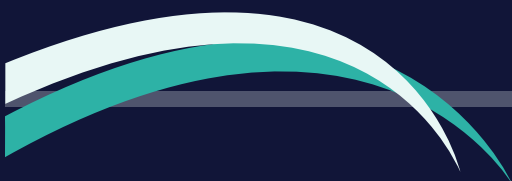

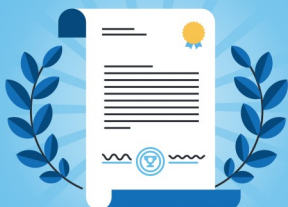

Gain confidence in building certificates that nurses find:

- Challenging
- Consistent
- Convenient

OFFERING LEARNING PATHWAYS FOR:

- ◆ **Badges**—indicator of accomplishment or skill that can be displayed, accessed, and verified online
- ◆ **Certificates of Completion**—a recognition of progress or accomplishment
- ◆ **Global Industry Certifications** —digital form of certification indicating demonstrated competency/mastery in a specific skill or set of skills. TechEDGE will work with universities and their clients to create industry-standard certifications.

TURN-KEY CONSULTING

Interested in transitioning existing professional development or creating new digital-delivered Certifications? TechEDGE has the team and network to be your turn-key resource to enter the market.
