2022 Projects and Initiatives -August 10, 2021-

Monthly Sponsored Monday Night Magic

On the third Monday night of each month, starting on Monday, September 20th, the OMS will sponsor an event entitled *Monday Night Magic* at The Cross Training Center (5030 N. 72nd Street) in Omaha.

Each event will have one of the club's featured performers, a learn-a-trick section, and another ever-changing twenty-minute component. Some events will encourage family attendance.

Events will last from 7-8 PM with the exception of lectures and the three cross pollination events which will last from 7-8:30 PM.

15X15 Funding Initiative

In light of the board not wishing to raise our annual membership fee from \$20 per year, a challenge will be extended in November 2021 to find 15 members who'll commit \$15 per month for a year to cover the club's on-going monthly operating expenses as seen below.

Hall Rental - \$50
My Emma Database - \$45
OMS Website - \$27
Newsletter - \$30
Vimeo Video Library - \$20
Zoom - \$30 (2 licenses)
Online Membership Directory - \$7.90
Non-Profit Association Of The Midlands - \$4.00
Quick Books Subscription - \$6.25

TOTAL - \$218 per month

Please note: Although our Junior Magicians program is self-supporting through fees paid by students, donations for individual scholarships are always encouraged so others who can't afford the fee can still participate. Those individual scholarships are \$65.

Magic In The Libraries

In 2022 the goal is to have a copy of *Mark Wilson's Complete Course in Magic* in every public library as well as every parochial and public elementary school in the Lincoln and Omaha Metro areas. This will entail placement of the book at 160+ libraries.

Although the books cost an average of \$10 apiece, the manpower to make contact and successfully deliver these books will be significant.

First Family Magic Night Four Week Class Series Completed

These four-week series of classes have been designed for use in partnership with non-profit organizations in underserved communities and do not overlap with the Discover Magic™ curriculum used in the club's Young Magician's programming.

NAM Guidelines and Principles Certification Process Completed

All significant grants awarded by foundations in the Omaha area require that the 501C3 be certified by the Non-Profit Association of the Midlands through their Guidelines and Principles Certification Process.

You can read about this process at: <https://www.surveygizmo.com/s3/4979763/Guidelines-Principles-Assessment-Public>

First Family Magic Night Grant Awarded

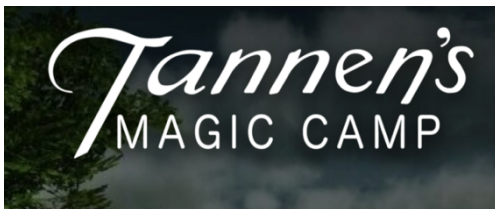

In 2022 we would like to be awarded our first grant in the funding of our club's Family Magic Night programming.

Two Fund Raising Shows Completed

As an additional funding source, select performers from the club will partner with other non-profit organizations – providing shows that will help provide funds for both organizations.

2022 Tannen's Magic Camp Scholarships

Thanks to our sponsor [Taylor Made Home Solutions](#) two junior magicians (ages 10-20 years old) will have their registrations paid in 2022 to [Tannen's Magic Camp](#).

2022 Guest Lecture Series

In 2022 with thanks to our sponsor [Taylor Made Home Solutions](#) the club will host three guest lecturers – inviting magicians of national and international recognition to come and teach us in their particular area of expertise.
