

CBHC2020 | Partner Commitment

Thank you for your interest in becoming a Children's Board of Hillsborough County Community Partner in support of our CBHC2020 efforts

The **Children's Board of Hillsborough County** (CBHC) regularly seeks feedback from the citizens of Hillsborough County through community engagement and Town Hall meetings; review of local data and research; stakeholders and from members of CBHC-funded agencies. The Children's Board of Hillsborough County has recently partnered with 16 Point Compass Consulting, LLC. to facilitate seven (7) **Community Town Halls** throughout Hillsborough County in anticipation of major funding releases of the Children's Board.

In addition to our Community Town Halls, we will also be collecting **Community Surveys** that aim to elicit responses from Hillsborough County residents in an attempt to inform and meet the needs of children and their families on a micro and macro level. In doing so we are seeking community/business partners to assist in the success of our **CBHC2020** efforts.
