

### Consider participating in one of our Community Town Halls!

We would like to invite you to participate (either in-person or virtually) in one of our Community Town Halls, taking place in the coming weeks at your local Children's Board Family Resource Center.

This is an opportunity for families in your community to further discuss some of the questions asked in the Community Survey to help us get to real and meaningful solutions provided by you.

#### **A few additional things to consider...**

All Community Town Hall dates are subject to change due to any Covid-19 related concerns. Due to social distancing requirements, all in-person Community Town Halls have a limited capacity as indicated on the next page.

Any names placed on the in-person waiting list will be contacted if an in-person space is available. Preference will be given to families living in the Zip Codes regularly serviced by the local CBFRC.

A pre-packaged meal will be provided to all in-person participants.

Due to Covid-19 precautions, all in person participants are required to do the following before entering any Children's Board Family Resource Center:

- Complete a brief health questionnaire
- Receive a temperature check from CBFRC staff
- Wear a mask or other face covering while in the building except when eating the provided meal

Those who do not participate in person will receive more information via email on how to participate virtually.

If you are interested in participating in the Community Town Hall and would like more information emailed to you, please enter your email and zip code in the box below.

There are seven (7) CBFRC's to choose from. Please choose the one closest to you and indicate whether you would like to participate in person or virtually.

Once complete, you can **drop it off at your local CBFRC** or email it to **nortiz@16pointcompass.com**  
For questions or more information, please call **813.727.1707**
