

Memory
OF A LIFETIME®

by TERRYBEAR

FOR LOVED ONES

Memory of a Lifetime® products are created by a group of people who are compassionate, committed, and inspired. We are passionate about providing products and services to help families preserve the memories and legacy of their loved ones. We hope you can see the love and care we (Terrybear® Urns & Memorials, our distributors, and funeral homes) put into everything we do.

COMPASSIONATE. COMMITTED. INSPIRED.

Delivering exceptional products, personalization, and service.

Creating forward-thinking and meaningful memorials.

Caring for the life and legacy of customers, families, and each other.

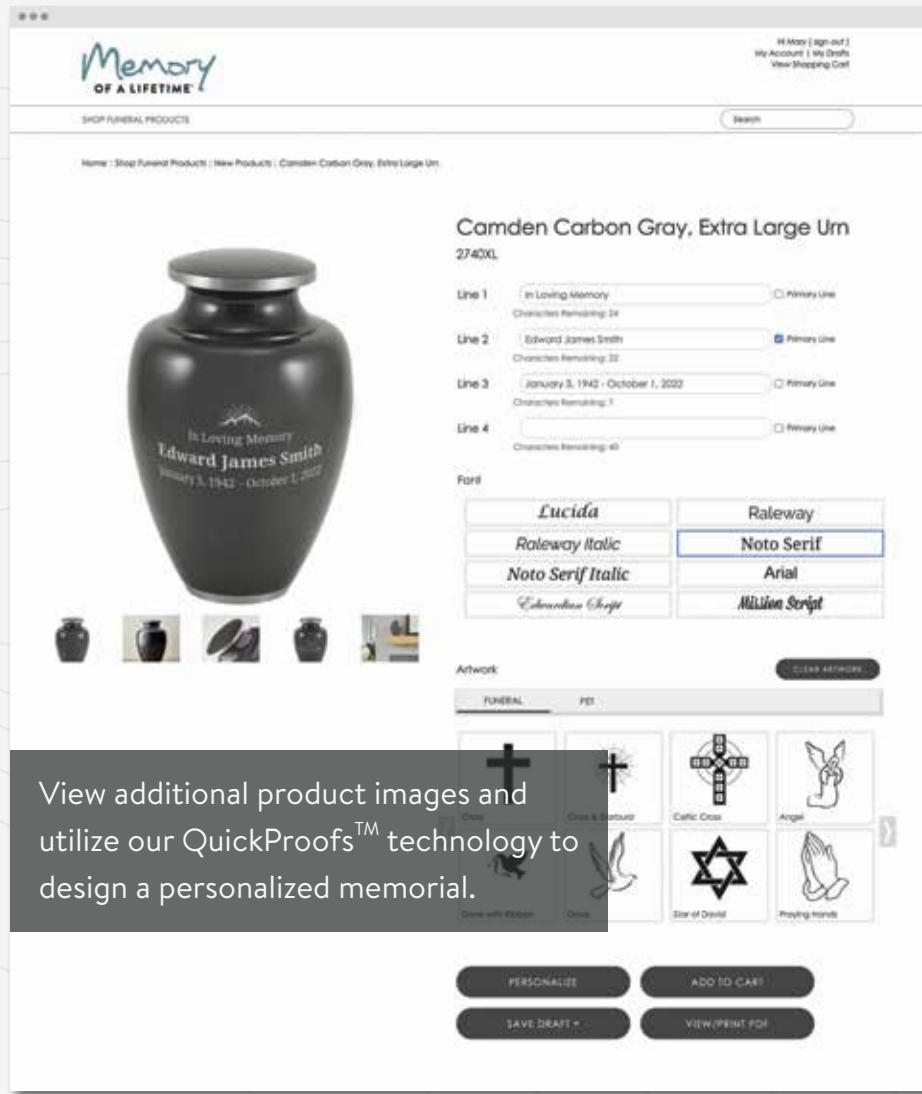

PRESERVING THE LEGACY OF OUR LOVED ONES

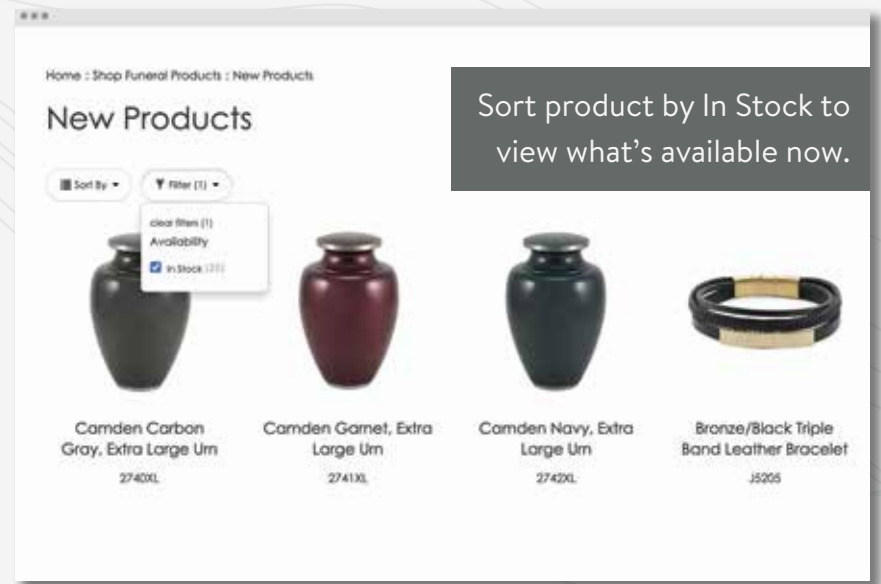

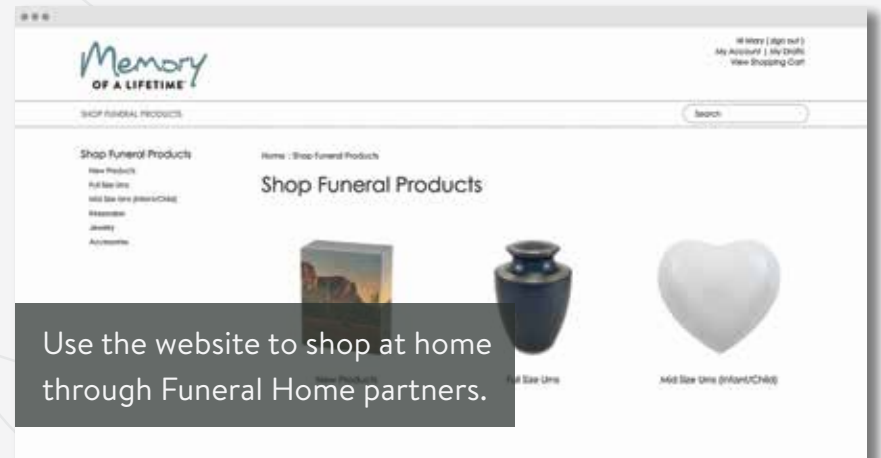

Capture the places we cherish, the services we honor, the passions we explore, and the faith that provides peace to create a memorial that truly reflects the people we are.

THINGS TO KEEP IN MIND AS YOU SHOP

WHERE WILL THE MEMORIAL BE PLACED?

Having the final location in mind may help determine your final selection. Whether your intent is to scatter, place in a niche, or display in your home you'll find suitable memorials for all needs.

STYLE AND MATERIAL

From traditional to contemporary you'll find a wide array of options in a variety of material.

PERSONALIZATION

Make an urn a true memorial by adding a personalized touch. Utilizing the QuickProofs™ technology on MemoryofaLifetime.com you can design your personalized urn in real time.

KEEPSAKES

Keepsakes are a meaningful way to keep the memory of your loved one close or to share the memory with friends and family. We offer a large selection of keepsakes, allowing every family member to pick the keepsake memorial most meaningful to them.

*Round hole.
Round urn vault.
Infinite potential.*

Using the Infinity Urn Vault couldn't be easier. After digging an 18" hole with an auger, the grave site is ready for the vault. That's it. No extra digging. No squaring off a round hole to fit a square urn vault.

- Infinity Urn Vaults have a patented sealing rubber gasket that creates a weatherproof seal.
- Engineered to be as strong as concrete at a fraction of the weight – maintaining the integrity of the ground around it.
- Weighing 15 lbs, with the urn in it, allows anyone to easily carry it.

Keepsakes for the family

Keepsakes provide a thoughtful option for all families to share and cherish memories at home. A special memento for an aunt, a gift for a sister, brother, or friend. A unique and meaningful memorial for loved ones.

A family of six is walking away from the camera on a beach at sunset. They are holding hands and walking in a line. The father is on the far left, followed by a young boy, a young girl, another young boy, a father, and a mother on the far right. They are all wearing light-colored clothing. The ocean is in the background with waves breaking. The sky is a mix of orange and blue.

4 SELECT YOUR PHOTO

The photo you select may be the most important part of the photo printing process. The following helpful tips will guide you through the photo selection process and help ensure your custom photo print is of the utmost quality.

Subject of the Photo

Ensure that the subject is in the middle of the photo to allow for the best possible photo placement within the design template.

If your subject is near the edge of a photo, unbalanced cropping may result.

Attributes to ensure a high-quality photo print:

- Your Loved One/subject of the photo is in focus and near the middle of the photo.
- A photo that is at least 4" x 6" and the subject is large and the primary focus of the image.
- The orientation of the photo matches the chosen design template.
- There is adequate space for cropping – at least a .25 inch around your loved one/subject.

Photo Size and Quality

✓ A high resolution photo ensures the highest print quality.

✗ A small photo that requires enlargement to fill the frame, or a photo with low resolution may result in poor print quality.

Photo Orientation

✓ Select a photo that matches the orientation of the design you choose to allow for proper image placement.

✗ A photo that does not match the orientation of the chosen design template may result in unbalanced cropping.

Attributes that may cause a poor-quality photo print:

- Your loved one/subject is out of focus, blurry, or near the edge of the photo.
- A photo that is smaller than 4" x 6" or where the subject of the photo is very small and needs to be enlarged.
- Your loved one/subject of the photo is very small – image quality will be lost when the photo is enlarged to fill the design template.
- The photo is of a group of people – group photos often make it difficult to crop properly. If a group photo must be used, please indicate your loved one.
