These Lab Coats maximize safety and compliance for workers in industrial and healthcare settings. Our Lab Coats help reduce potential for cross-contamination while offering superior protection and excellent comfort.

**Protection:** High quality, triple layer SMS fluid-resistant construction provides maximum protection.

**Comfort:** Available in a breathable material that provides adequate protection. Knit cuff adds comfort and ensures excellent fit.

**Simplicity:** Serve as a cost-effective alternative to laundered labcoats or as an emergency back-up supply. One generous size fits most employees. Extra large sizes are available.
