

Explorer Series

Made with outdoor enthusiasts in mind, the Explorer Scattering Urn Collection comes in four vibrant full-size designs. You will have peace of mind knowing all elements, from the adhesive to the ink, are eco-friendly and 100% biodegradable. The horizontal design allows the urn to float for a short period of time, making it a great choice for scattering at sea as well as burial.

Explorer Scattering Series

Made of Hardboard

Biodegradable material including bag and tie

Suitable for eco burial
