

Mother Of Pearl Adult Urns

All urns on this page are made of 100% aluminum and come with a threaded, airtight screw on lid to ensure contents remain securely in place. Craftsmen cut Mother of Pearl pieces and hand glue it on the urn. Then several layers of lacquer are applied by skilled artisans to ensure a high quality finish.

Tokens

These token urns are made of aluminum, imported from Vietnam and also feature a threaded, airtight screw on lid.
