

Scattering Urn

Beauty, affordability, and eco-friendly - these are the preeminent features in the latest addition to our scattering urn offering. These full-size scattering urns feature bright, vibrant images of cherry blossom flowers, peaceful sunsets, and the popular Mossy Oak® Break-up Country camo design. Whether used for scattering or burial, these 100% biodegradable urns offer peace of mind.

As scattering and burial at sea continues to be a growing preference for many families, these new scattering urns will be a great addition to include in your product line.
