

My name is Ciara Jordan, I'm 21 years old and this will be my first year as an instructor at EPIC winterguard! I have been spinning since 2015 and have received many accolades over the years. I attended Bartram Trail High School from 2017-2020 and was a member of the colorguard and winterguard for four years receiving two FFCC state championship medals. Following high school, I was a member of Pegasus Winterguard based out of Orlando, Florida for 3 years receiving 3 FFCC gold medals as well as a WGI Championships silver medal in 2022 and became a World class finalist in 2023. I was also a member of the Bluecoats Drum and Bugle Corps colorguard for the 2021 and 2022 summers receiving the silver medal in 2022. I now teach at Orange Park High School and Bartram Trail High School. In my time as an instructor, OPCG has received the FFCC state championship title for the 2021 and 2023 seasons as well as many Best Colorguard caption awards across the marching seasons. I joined the Bartram Trail colorguard staff in 2022 and the Varsity winterguard received 10th place at WGI A class finals for the 2023 season. Performing and teaching is a huge passion of mine and helping students grow their own passion and love for the performing arts is something I love and strive to do. So excited to grow alongside these performers and make the most of our season!
