

Mario began his colorguard career in 2002 with the Braddock high school marching band. He quickly grew to love and immerse himself in the marching arts. Having grown and challenged himself with the Boston Crusaders in 2004, later leaving a legacy with the 2005 Cadets, Colorguard has been an ever-growing life experience for Mario. Most recently performing with the FIU 2023-2025 winterguard, Mario has continued his love for the art of colorguard and all it encompasses.
