

I highly recommend that all customers carry Trip Protection. Each year several of my customers must cancel their trips due to unexpected circumstances. Without Trip Protection, you will forfeit your money.

In addition to the Cancellation benefits, Trip Protection will provide benefits which your personal health policy likely will not provide in the event you become sick or injured outside of the United States

It is however, your decision and once we have discussed it and I have provided you with the information, you MAY DECLINE TRIP PROTECTION BENEFITS by signing the rejection form below and returning it by fax or scanning to email. Again, it is my policy to discourage you to do so.

NOTE: TRIP PROTECTION WILL AUTOMATICALLY BE PLACED ON YOUR RESERVATION UNLESS I RECEIVE THIS SIGNED FORM RETURNED BY THE DATE OF FINAL PAYMENT. ONCE TRIP PROTECTION HAS BEEN PAID, IT IS NOT POSSIBLE TO REMOVE THE COVERAGE OR OBTAIN A REFUND.

Respectfully yours,
Tina M. Erskine

REJECTION OF INSURANCE WAIVER

CUSTOMER NAME: _____

RESERVATION: _____

I, _____, herewith am rejecting the Trip Protection that was offered to me for protection of my trip. I understand that I am rejecting both cancellation refund waivers as well as during travel protection.

My agent has provided me with costs and explanation of coverage and I made an informed decision to reject coverage at this time. I understand that once I have rejected this coverage, my complete payment is non-refundable for any reason and that if I incur medical expenses during travel, they may not be covered by any health insurance that I have depending on the restrictions of my own personal insurance.
